Twinkle for

Twinkle

The calendar moves faster than the team.

It's never the big dates you miss. It's the ones nobody put in the plan.

Nasser hits five years on Sunday

Two people start next week

Sara's last day is Thursday

National Day is in three weeks

Twinkle

Four things we own for you.

Twinkle runs employee moments for companies. One team, one message, the whole year covered.

01 The calendar

Your dates and the national ones. Work anniversaries, National Day, the lot. We flag them early.

02 Your brand

We read your brand guidelines and design every piece to match. Your celebrations, fully personalized.

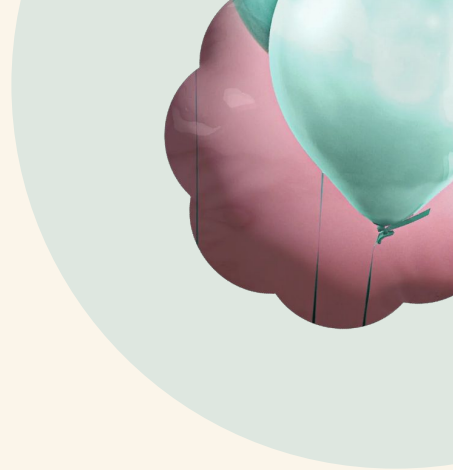

03 Gifting

You upload a spreadsheet. We design, produce, pack and deliver to every desk. No decisions required.

04 Activities

Ice cream socials, arcade days, team dinners. In your office or out of it, set up and cleared after.

ONE OF FOUR · THE CALENDAR

We watch the calendar for you.

You get regular reminders of what is coming, what we suggest, and what it costs. You approve or request changes, then you can stop thinking about it.

Twinkle

1 September, 09:12

Three work anniversaries in October.
Nasser 5 years, Lama 3, Ziad 1.

- A desk moment for each, in your brand
- Coffee cart on the 12th for all three

FOUR OF FOUR · YOUR BRAND

In your brand,
not ours.
